Party Basics

Attendance will increase party sales, which means more free products for you and the Bride-To-Be. Please provide me with names, address, phone & email as I will fill out all of your invitations. Ask everyone to bring friends of the Bride-To-Be. Even if they are not in the wedding, still invite them!

-
- ∞ Contact your guests the day before the party to confirm their attendance.
 - ∞ Passion Parties are exclusively for women 18 years and older.
 - ∞ All orders are conducted confidentially. I accept cash, good personal checks, and all major credit cards..
 - ∞ I will need a private area for confidential ordering as well as a table to display and demonstrate all Passion Parties products.

NO Outside Gifts

The whole point in me coming is for the guests to buy something for the Bride-To-Be, as well as goodies for themselves. If outside gifts are brought, that takes away from what the Bride-To-Be will be able to get in free products that night, so please follow this rule.

Strippers

I don't mind if you have strippers as long as my part of the show is done and over with and I am packed up and gone. This extra entertainment is often part of the activities but remember, your bride will be given FREE products based on the sales of my products..... The stripper takes away money from the bride.

Free Products

There are two ways to go about getting the Bride-To-Be some free products.

1. **Bridal Bucks:** As each guest comes into the ordering room, they can add an extra \$10, \$15 or \$25 (any amount can be purchased) to their order for the Bride. After all ordering has been placed, I will present the Bride-To-Be with gift certificates in the total given amount. She can use it like cash.
2. **Wish List:** Have the Bride-To-Be create a wish list and as each guest comes into the ordering room, they can select and purchase items off the Bride's list. At the end of the party, the Bride-To-Be will join me in the confidential order room to go over the items she has been gifted & to spend her hostess credits on more goodies.

Outside Orders

If there is someone that is unable to make it to the party, they can still purchase products and Bridal Bucks/Wish List Items. Men are also allowed to place outside orders. All products will be shipped to each guest directly from Passion Parties. Have any out of town friends and family visit my website and put the bride to be name in the comment section on the order for her to receive the credit toward her "Free" products.

Games

I do have several games to choose from, but if you have a particular one in mind, call me and let me know so that I will be prepared on the night of your party.

Games

Sucking Nuts

Everyone forms teams of two. One person (the Nut) sits down and holds out their hands. I place 5 to 10 peanut M&M's or just regular nuts in one hand. The second person (the Sucker) assumes the position on their knees in front of the person sitting down. The object is for the Sucker to get as many peanuts from one of the Nuts hand to the other by sucking through a straw.

Lap Game

I ask a series of questions (i.e.: have you ever had sex in the shower). If you answer yes, you move one seat to the right. (Yes, some ladies will be sitting on each other's laps.) If you answer no, you stay where you are. The first one back to their seat wins.

Condom Queen Game:

(Supplies - Bareback condoms, bananas (slightly green), and Passion Massage Lotion. To play this game, divide into equal teams of three or more players. Give each team a condom and an unripe banana. Prior to playing, unwrap the condoms and place them on the tip of the bananas. Have the players sit in a circle. Hand each team one banana with an unrolled condom on the tip of it. Then put a large squirt of into the palm of each player's dominant hand (usually the right). On the count of three the first player must unroll the condom down onto the banana then roll it back up again. When she is done, she then passes the banana and the condom to the next player, who repeats the process. Keep playing and passing until everyone has had a turn. When the last player is finished, she must wave the condom and the banana in the air while the whole team shouts, "We are the Condom Queens"

Have You Ever

This is a lot like the Lap Game but you just answer yes or no on a piece of paper. Lots of fun!

Dirty Minds

This is a riddle game. I give three dirty hints and the guests have to guess the word. This is a great game for small crowds.

Suck & Blow

The ladies suck mini marshmallows with a straw and try to put as many in a cup during a timed period.

Cherry Game

Ask who at the party would like to regain her virginity. When you have several volunteers, place in front of each of them a maraschino cherry in a bowl. Explain that this will be a race to see who can eat their cherry first. They cannot use their hands. Just as they think this will be an easy game, you go around with a can of whipped cream and fill each bowl. Now you have a fun game.
